Imports and Exports of commodities

*294. SHRI IQBAL SINGH: Will the Minister of COMMERCE be pleased to refer to the answer to Unstarred Question 1999 given in the Rajya Sabha on 27th March, 1995 and state :

(a) the number of commodities imported during the last three years;

(b) the amount of foreign exchange spent thereon during this period;

(c) the number of commodities exported during the last three years; and

(d) what concrete steps are being taken by Government to improve the balance of payment of the country?

THE MINISTER OF STATE OF THE MINISTRY OF COMMERCE (SHRI P. CHIDAMBARAM) : (a) to (c). For recording the data on foreign trade. India is following an eight digit classification system, known as Indian Trade Classification based on Harmonised Commodity Description and Coding System developed by Customs Cooperation Council (CCC) Brussels. The export-import commodities identified with the ultimate eight-digit level codes of I*TC* (HS) and counted as such were in the following number during the last three years :

	1992-93	1993-94	1994-95 (April-November)
Export .	8049	8286	8021
Import .	5961	6206	6030

The total imports (estimated by DGCI&S), i.e. foreign exchange value of imports, during the last three years is given below:—

	US$ Million	Rs. Crore
1992-93 . . .	21882	63375
1993-94 . . .	23306	73101
1994-95* (April-Feb.) . .	25063	78635

*Provisionl Figures.

(d) Recent years' performance of external sector has vindicated India's balance of payments strategy of pursuing a prudent current account deficit. The country has followed a cautious approach towards full capital account convertibility, maintaining foreign exchange reserves, management of external debt with the objective of discouragement of short-term borrowings, a stable exchange rate, encouragement of foreign direct investment and other flows and, above all, strong export growth.
